

## PRODUCT DETAILS

# Passport Guide

Passport® Guide is an innovative interactive program guide (IPG) powered by TiVo's best-in-class entertainment metadata that incorporates high-res graphics, comprehensive TV listings, expanded search, DVR and VOD capabilities, and HD support.

Passport Guide HD introduces a modern, streamlined design with no change in features or functionality, and its compatible applications — including ShowRunner, iSubscribe, Multi-Room DVR and xD Guide — help to enhance the entertainment discovery experience.

## FEATURES

### Expanded TV Listings

The new widescreen format displays more channels and times at-a-glance, with the same access to program information and menus as always.

### Enhanced Search

Search by titles and keywords, so subscribers can find TV shows and movies quickly and easily.

### Parental Controls

Let parents manage content with blocking by program type, title, rating, channel and time.
