

Video Metadata Experience: Premium Celebrity Images

Premium Celebrity Images, a compelling video metadata Experience package option, enhances your products with high-quality celebrity photos optimized to look good across devices and screens.

Thanks to a partnership with Getty Images, this special collection will differentiate your products with premium celebrity photography from a renowned and respected brand. TiVo's photo editors review and curate each photograph from the vast Getty Images library, saving you time so you can more efficiently focus on your core business. Premium Celebrity Images enables you to easily incorporate the images into your products and provide your customers with the high-quality photos they have come to expect.
